0 $\overline{\downarrow} 4$

A technical drawing of a hole. The outer dimension is given as 4.00. The tolerance is +0.02, 0, indicating a maximum size of 4.02 and a minimum size of 4.00. The drawing shows a large circle representing the part, with a smaller circle inside representing the hole. A horizontal line through the center indicates the axis of the hole.

$$\begin{array}{r} 4-\text{M4}\downarrow 6 \\ +0.02 \\ \hline \emptyset 4 \quad 0 \quad \downarrow \end{array}$$

A technical drawing of a rectangular component. The top edge has a total width of 25, with a 10 gap between two circular features. The left edge has a height of 20, with a 15 gap between the bottom edge and the base of the feature. The right edge has a total width of 35, with a 15 gap between the top edge and the top of the feature. There are three circular features, each with a diameter of 10 and a central hole of diameter 5.
